Y. M. C. A. DEFEATS LAUREL HILL In Fast Basketball Game—Score 30 to 22—Laurel Hill Displayed Poor Team Work at the Start—L. Stanley Scored 6 Field Goals.

The Y. M. C. A. basketball five defeated the Laurel Hills in the local gym Saturday evening by the score of 30 to 22. The game, although fast, was clean, with the Y. M. C. A. boys proving too much for the Hill team, who at times were way off on shooting baskets and in the early stage of the game displayed poor pass work.

Plainfield Five Lost. The Plainfield High school team was defeated at Grovesend on Friday evening by the Tourtelotte M. H. S. by a score of 33 to 31. Although the game was close at stages of play, it lacked interest because of the large number of fouls called on both sides.

FINANCIAL AND COMMERCIAL SATURDAY'S MARKET Dealings Were Unusually Light, but Embraced Many Issues.

New York, Jan. 29.—The week ended with the same as it began, with an excess of pessimism in which stocks offered only a resistance to further professional pressure. Dealings were unusually light, but embraced a fairly large variety of issues. Declines ranged from 1 cent to 2 points in rails, Canadian Pacific and New Haven manifesting especial heaviness, while copper and munitions fell 2 and 4 cents respectively.

On the surface there was no development to connect with the selling of the current movement, growing out of the relations between Washington and Berlin and some possible tension with Great Britain resulting from the present controversy over mails. The usual week-end reviews dealing with trade conditions reported further pressure upon producers while additional railway movements for December were keeping with recent excellent exhibits. The Reading road reported an increase of \$279,000 in operating profits for the month and the St. Paul gained \$1,352,000 in operating income.

Exchange markets were almost at a standstill, the only notable change being further heaviness in marks, with sympathetic declines in remittances to Austria.

The sole feature of a narrow bond market was the heavy trading in Anglo-French 5s at 95, unchanged from yesterday's minimum. Total sales for the week aggregated \$25,000,000. United States bonds were unchanged on call during the week.
